Miss Evelyn L. Gilmore, Librarian,
Maine Historical Society,
Portland, Maine.

Dear Madam:-

I have your letter of the 29th, and it is possible that we may be able to help you. I am not prepared to go into ways and means at the present time, but I shall present your communication at the next meeting of our staff with a view to having them decide how far we may go in meeting just such conditions as you describe. Certainly I shall be able to refer you to some books which will aid you in classifying your medals, and if by so doing we can facilitate their exhibition, we shall consider that we have rendered your district some numismatic service.

Yours very truly,

Secretary.
